PROFILE

Detail-oriented and customer-centric Professional Painter with 17 years of experience painting both residential and commercial properties.

EMPLOYMENT HISTORY

Professional Painter - Team Lead, PaintRUs

Wichita, KS

Dec 2012 – Dec 2017

PaintRUs is a professional painting service that provides experienced independent contractors for both residential and commercial projects. As a Team Lead & Professional Painter, my daily responsibilities include:

- Working with clients and internal contractors to schedule the project, giving estimates on the number of hours and resources needed
- Directing the use of scaffolding, drop cloths, and tapes to make sure each work site is prepped prior to painting
- Overseeing and checking all contractor's work to ensure both quality and efficiency
- Ensuring all dust, spills, and other materials are cleaned and removed prior to leaving the job site

Professional Painter, Paint Perfect

Houston, TX

Jul 2001 – Dec 2012

Paint Perfect provides professional painting services for residential projects. As a Professional Painter, my daily responsibilities included:

- Preparing surfaces for painting by removing old paint, filling holes, and using abrasive blasting or wire brushes
- Selecting and applying primer and paint based on the location and type of surface being finished
- When necessary, advising customers on the color and types of paints to create their desired effect
- Recommending specialized techniques, including washing, glazing, layering, sponging, distressing, stippling, and color blocking

Painter Apprentice, Academy of Arts

Houston, TX

Aug 2000 – Dec 2001

The Academy of Arts trains students aspiring to be professional painters, as well as gives them applied and practical painting experience. As a Painter Apprentice, my daily responsibilities included:

- Partnering with experienced painters to accompany them on various projects
- Given the client's needs, making informed recommendations on the preparation, paint, and techniques that should be utilized
- Experimenting with various techniques to provide creative decorative and faux finishes
