Employment history

Event Planner, JP Morgan Chase

Apr 2015 - Present 📍 Orlando, Florida

JP Morgan Chase is an American multinational investment bank and financial services holding company. As an Event Planner, worked on the Meeting & Event Management team which was responsible for facilitating complex employee and client programs.

Core activities included:

- Planning events, ranging from 10 to 500 people, that ranged in complexity
- Preparing, managing, and reconciling event budgets
- Leading and coordinated the efforts of cross-functional teams to prepare for an event
- Maintaining relationships with vendors and suppliers
- Managing all event aspects, including logistics, registration, F&B, activities, and marketing

Event Planner, Valencia Community College

Apr 2013 - Apr 2015 📍 Orlando, Florida

Valencia Community College is a public state college that offers a variety of liberal arts degrees. As an Event Planner, reported to the Director of Events and Planning and was responsible for coordinating a wide range of on campus and off-campus events. Core activities included:

- Preparing all event documents and material, including agendas, name tags, seating cards, and binders
- Sourcing vendors and suppliers for A/V, F&B, and marketing
- Providing on-site event support
- Conducting post-event evaluations

Founder & Event Planner, Jordan & Jordan Events

Apr 2010 - Apr 2013 📍 Orlando

Jordan & Jordan Events specializes in organizing and hosting charity and fundraising events for private, public, and non-profit organizations. As an Event Planner, was

responsible for coordinating events from ideation through execution. Core activities included:

- Conducting preliminary meetings with clients to discover the requirements for their event
- Fostering relationships with a wide-variety of vendors and suppliers
- Planning and managing all facets of an event, including logistics, scheduling, fundraising, budgeting, and execution
