## HOBBIES

## PROFILE

*Experienced Warehouse worker with five years' tenure in a shipping yard setting, maintaining an average picking/packing speed of 95%. Holds a 100% score in adhering to packing specs and 99% error free ratio on packing records. Completed a certificate in Warehouse Safety and has a valid commercial driver's license.*

## EMPLOYMENT HISTORY

### General Warehouse Worker, Intinate Shipping

San Antonio

May 2018 - Apr 2019

*Use ERP system functionality to record and monitor picking and packing output average of 50 workers per each 8-hour shift daily and compare with target output figures.*

- Pack or wrap materials and products manually
- Stack and palletize products according to facility specifications
- Notify supervisors of defective products or damaged packaging
- Assist machine operators with hand signals on where to move large pallets from the packing area to the loading bay
- Identify product codes and SKU numbers against invoice manifests
- Ensure a clean and orderly work station at all times
- Identify, separate and label products and containers
- Tag pallets with the correct identification numbers
- Move merchandise from pick slot to conveyor area

### General Warehouse Associate, Industrial Shipping & Containers

Los Angeles

Apr 2017 - Mar 2018

*Reorganized the warehouse layout, making the process 50% more efficient because finished products are closer to the loading bay areas and pallets carriers can transport pallets quicker to the designated sections where uploading takes place.*

- Assess organizational needs and implement administrative procedures to streamline inventory records
- Create reports and spreadsheets to be utilized by the shipping department and the distribution department
- Provided clerical support by printing shipping orders, invoice manifests, products received records and route maps for distribution trucks
- Keep track of incoming and outgoing pallets and containers
- Completed inventory auditing, product inspection, and order selection
- Maintain and update warehouse task documentation and records for submission to supervisors and team leaders
- Review item locations to ensure proximity to delivery sites

### Warehouse Mover, Shipping Yards

Denver

Skiing, Skydiving, Art

## LANGUAGES

---

English

Spanish

Jan 2016 - Mar 2017

*Introduced a dynamic labeling system, which decreased time in writing labels by hand, resulting in a 50% increase of picking and packing production output.*

- Operate forklifts and pallet carriers to transport a variety of manufacturing materials.
- Offloading trucks carrying packaging material
- Moved incoming or outgoing merchandise throughout the distribution area by hand and forklifts.
- Check, verify and record goods received against order lists
- Organize defective and damaged parts into a separate area
- Enter data into remote data terminal, and load finished goods onto pallets and then hoist them onto distribution trucks
- Perform pick-ticket item assessments regularly
