PROFILE

Professional Language Tutor with experience in teaching Spanish, French, and English to University Students. Studied a Masters Degree in European Languages in Paris and also attained a Bachelors in Education Management. Brings to the table a forte of technical language teaching for written adeptness, as well as a practical role-play component improving verbal communication skills.

EMPLOYMENT HISTORY

❖ **Online Tutor, TSL Online Tutoring Agency** May 2018 — Present
Washington

Improved the academic performance of learners in Mathematics by 30% on average for a group of 25 individuals.

- Utilize online teaching platforms and virtual classrooms for instructing students
- Tutor individual students via Skype sessions
- Customize lessons to align with student needs and areas of development
- Create mock exams and practice tests to help students prepare for exams
- Organize group role-play sessions to improve conversational skills
- Assist with college and university admission applications
- Proofread, edit and provide coaching to MBA students regarding their proposals and dissertations
- Present monthly reports to all learners regarding their progress and identify areas of weakness to be addressed
- Use whiteboard functionalities in online chat rooms to teach student groups of 30 or more in one session
- Record all group tutoring sessions and create revision video's on YouTube

❖ **College Tutor, University of Arizona** Jan 2017 — Jan 2018
Springfield

Received a 4.8/5 rating from over a 100 students commenting on the University's Facebook Page.

- Responsible for providing academic guidance and coaching to 15 students per semester on a one on one basis
- Prepare study guides and learning materials aligned with the college curriculum for the year
- Tutor students on 1st,2nd and 3rd-year level in a variety of major subjects available within the faculty's Human Sciences degree programs
- Assist students in exploring career opportunities, writing cover letters and creating resumes
- Provide interview training to graduates applying for summer internships
- Assess each student's academic ability at the beginning of the year as to customize individual learning plans and set academic performance goals
- Facilitate recordkeeping, notifications, and submissions of assignments via an online tutoring platform

❖ **Mathematics Tutor, Ridgefield Secondary School** Jan 2015 — Dec 2016
Seattle

Wrote two study guides for Algebra and Calculus which were adopted by five schools in the district as part of their revision and exam preparation workshops during summer school.

- Present bi-weekly one-on-one academic training sessions in calculus, geometry, and algebra
- Monitor the progress of each learner and provide parents and guardians with feedback reports
- Maintain discipline and cultivate a learning culture during each tutoring session
- Write topic-specific guidelines to assist students with exam and test techniques
- Create topic summaries from prescribed study materials and distribute to students every week
- Conduct pop quizzes and mock exams to assess students' grasp of the subject matter
- Prepare customized lesson plans according to each student's individual needs
