## SKILLS

---

Investigative Journalism

---

## PROFILE

---

*A self-motivated and deadline orientated Journalist with a passion for telling unique stories for the public interest and a canny ability to extract the story behind the story during interviews with witnesses and stakeholders. Always strive to write unique but factual recollections of incidents and events. Over a decade of experience in delivering top-notch content to radio stations and supplementary social media platforms. Currently pursuing a Master's Degree in Journalism.*
