PROFILE

Recent MBA graduate with five years of experience as a Survey Researcher within the human capital consulting field. Highly adept at survey development, design implementation, and analysis pertaining to themes such as Organizational Development, Employment Satisfaction, Industrial Psychology, and Leadership Innovation. Extensive tenure in planning and coordination of initial protocols and accompanying research methodology policies and procedures.

EMPLOYMENT HISTORY

Senior Survey Researcher, Voter Registration Office

Springfield

Jan 2019 — Present

Compiled a collaborative research presentation of findings gathered from the economic data of 300 local businesses pre and post-recession.

- Make calls and conduct telephonic interviews to gather data regarding public health policies for the region or state
- Create economic survey models to interpret statistical data
- Review and analyze data from voter registration and subsequent voter turnout for each voter station in the area
- Compare opinion polls from selected sample surveys to determine voter registration efficiencies and scope for improvements
- Analyze spending patterns of utility services to citizens comparing pre-recession and post-recession data sets

Survey Researcher, Pearson Global Advertising

Miami

Jan 2018 — Dec 2018

Created six new customer feedback questionnaires per month for the last 12 months leading in market segmentation plans being implemented four months earlier than expected.

- Design, implement and manage continuous survey program components such as employee engagement surveys and customer opinion polls
