Profile

A self-directed, driven property management professional with 23 years' tenure in residential property management servicing. Fully adept at providing an entire real estate suite of services including, buying and selling of units and connecting prospective tenants with the pool of landlords on the books, Highly skilled in securing quick lease agreements for short and medium stays in a market prone to long term rentals. Holds various real estate licenses for the entire East Coast Region. Fully bilingual in French, Spanish, and English.

Employment History

Property Manager, Sail Asset Managers

Jan 2020 – May 2020 📍 Mineola

Closed three commercial rental agreements spanning 5-years in an economic recession.

- Setting rent at the correct level to attract short term and long-term tenants
- Determine the rental price range by analyzing comparable properties in the area and the overall average rent for the location
- Collect rent from tenants via an automated rental system and also visit tenants to collect rent paid in cash
- Find prospective tenants to fill unit vacancies by advertising in printed, social and direct media channels
- Facilitate viable screening systems to conduct credit checks, criminal background screening, affordability analysis and reference checking with previous landlords
- Responsible for leasing activities including setting lease terms, compiling lease contracts with required clauses and determining security deposits

Property Manager, Tip Top Leasing Agents

Jan 2017 – Dec 2019 📍 Indian Trail

Kept all expenses for repairs and maintenance under 80% of the allowed budget by securing service level agreements with small business as opposed to large companies.

- Conduct incoming and exiting inspections to detail any snags to be rectified, or damages occurred that requires a portion of the rental deposit
- Organize cleaning and maintenance teams to place properties in adequate conditions for tenants to move in
- Dealing with evictions where tenants failed to pay rent or breached the terms of the lease contract in some shape or form
- Ensure that the property and public spaces are in a safe and habitable condition for tenants and visitors
- Responsible for the physical management of the site which includes regular maintenance activities and emergency repairs
- Ensure that preventative maintenance and improvements are performed as per a set-out schedule determined by the body corporate

Commercial Applications

- Network with potential contractors like plumbers, painters, electricians, pest exterminators, landscapers, and deep cleaning companies to provide services
- Negotiate service level agreements with suppliers and contractors

Property Manager, Commercial Building Management Experts

Jan 2013 – Dec 2015  Jacksonville

Embarked on innovative digital viewing activities which meant that in-person viewings were reduced, and properties sold up to 10 days quicker than normal.

- Strictly enforce penalty fees for late-payments or rent overdue
- Adjust rental prices on a 12-month or 6-month basis by either increasing or decreasing amounts payable per market conditions and municipal laws and regulations
- Managing budgets within set frameworks determined by the HOA or Real Estate Management Company
- Approve emergency repairs or maintenance as per the scope of approval set out by the management company
- Keep accurate records of all incidents or accidents for insurance purposes
- Track and record all income and expenses
- Keep an updated list of all incoming and outgoing inspections, repair and maintenance costs, insurance costs and monthly rental collections
