Able to shoot properties and create a comprehensive portfolio of pics within six hours. Create unique digital imaging effects in Adobe Lightroom and Photoshop.*

EMPLOYMENT HISTORY

Jan 2020 — Present **Head Photographer, ATC Newspapers** Allanridge

2020 Finalist – World Wildlife Fund, Newcomer of the Year, Landscape Category

- Use digital and traditional cameras in conjunction with equipment such as filters, tripods, lenses and flash attachments
- Determine desired imaging and picture composition by adjusting subjects, positioning props and tweaking equipment and lighting features for the desired effect
- Plan photoshoots by scouting outside locations and discussing poses and shoot itinerary with clients
- Determine project goals, location features, and equipment requirements after discussing project brief with clients
- Create artificial light and shadows in the studio by using filters, flashes, and reflectors
- Manipulate raw images with specialized software to enhance features and remove imperfections
- Develop photographic strategies and procedures for each assignment from set up to picture editing and printing

Jan 2018 — Dec 2019 **Freelance Photographer, Memorable Moments Photography** Jacksonville

November 2017, Cover Photo – Moms and Tots Magazine

- Responsible for set-up, mounting and installing cameras and photographic accessories for studio and location shoots
- Test equipment regularly and sanitize lenses and cameras after each shoot
- Download photographs onto cloud backups before editing work commences
- Understand the complexities around specialized photographic techniques such as macro photography, sensitometry, ultra-violet films and photogrammetry
- Write content such as captions and blurbs to accompany photographs published on social media and digital media publications
- Conduct business development and promotional activities to attract new clients
- Ensure adequate quality control during shooting, development and editing images
- Review all finalized images in accordance to project brief and select the best ones before printing commences

Jan 2015 — Dec 2017 **Stock Image Photographer, Silver Sketch Online**

Shot and edited over 300 portrait images with a 97% customer satisfaction rate on Pinterest

- Maintain a digital portfolio, often on a website, to demonstrate work
 - Use processing software to do repairs on raw images such as color correction, light enhancements or boosting clarity levels
 - Provide ad-hoc services to clients such as framing, canvassing, blocking, photo albums and object printing
-
