resumeviking.com/templates/

1515 Pacific Ave, Los Angeles, CA 90291, United States

(541) 754-3010

Profile

Super creative Real Estate Photographer known for crafting accurate images for real estate agents in record time. Excellent knowledge of digital editing to enhance the original features and selling points of each property photographed to create interest from potential buyers. Able to shoot properties and create a comprehensive portfolio of pics within six hours. Create unique digital imaging effects in Adobe Lightroom and Photoshop.

Employment History

Head Photographer, ATC Newspapers, Allanridge

January 2020 — Present

2020 Finalist - World Wildlife Fund, Newcomer of the Year, Landscape Category

- Use digital and traditional cameras in conjunction with equipment such as filters, tripods, lenses and flash attachments
- Determine desired imaging and picture composition by adjusting subjects, positioning props and tweaking equipment and lighting features for the desired effect
- Plan photoshoots by scouting outside locations and discussing poses and shoot itinerary with clients
- Determine project goals, location features, and equipment requirements after discussing project brief with clients
- Create artificial light and shadows in the studio by using filters, flashes, and reflectors
- Manipulate raw images with specialized software to enhance features and remove imperfections
- Develop photographic strategies and procedures for each assignment from set up to picture editing and printing

Freelance Photographer, Memorable Moments Photography, Jacksonville

January 2018 — December 2019

November 2017, Cover Photo - Moms and Tots Magazine

- Responsible for set-up, mounting and installing cameras and photographic accessories for studio and location shoots
- Test equipment regularly and sanitize lenses and cameras after each shoot
- Download photographs onto cloud backups before editing work commences
- Understand the complexities around specialized photographic techniques such as macro photography, sensitometry, ultra-violet films and photogrammetry
- Write content such as captions and blurbs to accompany photographs published on social media and digital media publications
- Conduct business development and promotional activities to attract new clients
- Ensure adequate quality control during shooting, development and editing images
- Review all finalized images in accordance to project brief and select the best ones before printing commences
