Android Developer, AltraxYz

Jan 2016 – Jul 2018  Moguer

Developed 25•fully functional applications for Android devices. Implemented both subscriber/follower systems as well as invite systems.

- Implemented a system to redeem and purchase online coupons.
- Modified mobile UI and employed dynamic image support for multiple devices.
- Designed database features for mobile interface applications
- Helped UI teams design appropriate icons and displays for mobile screens.
- Developed new functional database abilities for data staging and modeled the data objects to the mobile application.
- Used Eclipse IDE to develop screens for applications using MVC design configurations.
- Tested applications on multiple android targets and further solving problems that occurred during testing.
- Worked on development, production, testing, and setup of applications and configuring the Linux and SQL database.
- Successfully deployed an app on the Android App Store and supported the app for multiple Android OS releases.
- + fully functional applications for Android devices.

Education

UCLA, Bachelor's Degree in Software Engineering

Jan 2020 – Present  East Los Angeles

Brooks College , Associate's Degree in Software Development

Jan 2015 – Feb 2016  Orlando

Jan Borchers Aachen University, Android application programming

May 2012 – Mar 2014  Online

Google Academy, Application Development Certificate

Jan 2011 – Aug 2012  Online
