PROFILE

Results-driven business consultant with 12+ years' experience managing operations, projects, and business services. Strong leadership skills capable of refining processes, improving productivity, and resolving critical business problems timeously. Broad experience directing multi-million business operations with full budget, financial, profit, and loss responsibility.

EMPLOYMENT HISTORY

Business Consultant, Takealot

Jan 2019 — Jan 2021, New York

Primary purpose is coaching and mentoring other team members, including Business Analysts, and managing a team of 5-7 business analysts to develop project deliverables.

- Planned and executed a strategy for global CRM and created and ran customized CRM roadmaps.
- Gave consistent reporting on CRM performance to the leadership team and high-level executives.
- Trained leaders in change management basics.
- Aided with other management projects, including emergency preparedness projects.
- Ensure that technology solutions line up with business requirements and obey quality standards. This includes participation in developing test strategies and reviews as well as developing requirement management plans.

Business Consultant, LinkedIn

Jan 2017 — Dec 2018, Ohio

Working in a consultative position, providing "value-adding" insights by means of analysis, interpretation, and assistance. Ensure that technology solutions line up with business requirements and obey quality standards.

- Managed implementation projects forward as an individual or as part of a consulting team.
- Business analysis & planning as well as Process analysis & design.
- Ensure that technology solutions line up with business requirements and obey quality standards. This includes participation in developing test strategies and reviews as well as developing requirement management plans.
- Developing tools and reporting from contract databases that help drive decision-making for business partners and management.

EDUCATION

Virginia Commonwealth University, MA in Economics.

Jan 2020 — Jan 2021, Reston

UCLA, BS in Management

May 2017 — Dec 2019, Los Angeles

- Surpassed expectations in budgeting and sales coursework.
- Created a new campus blog for a two-year senior project in leadership.
- IT Club Leader. Increased membership by 23%.
