## Profile

*Professional yet personable NCCPA-certified Physician Assistant with 8+ years experience in busy, mid-sized clinics. As licensed and registered Physician Assistant in New York was awarded the 2016 AAPA/PAEA Preceptor of the Year. Registered member of the AAPA. Provided professional treatment and care of over 400 patients with orthopaedic emergencies and traumatic injuries.*

## Employment History

### Physician Assistant, EQH Hospital, Jaen

January 2019 – October 2020

*Caseload of 60% spine and 40% cranial and essential paediatrics*

- Take part in quality improvement initiatives to help better patient safety and reduce errors
- In collaboration with a team or independently, conduct quality improvement projects and workflow optimization
- Assisting attending Physician inpatient evaluations, follow-ups, and educating families regarding disease intervention and post-operative care
- Responsible for making rounds with attending Physicians, completing discharge forms, planning and care coordination, filling pre-operative orders, and providing the family and patient with support and education
- Effective and professional communication with patients and their families, Physicians, residents, and other co-workers promptly
- Participate actively in the provision of the workflow to optimize the provided care team model and allow everyone to work in the highest and most professional manner
- Develops, participates in, and implements quality performance improvement initiatives

### Physician Assistant, Equinox Medical Practice, Miracema

January 2017 – July 2019

*Treated and managed a diverse caseload of 25-30 patients per day, managing acute and chronic diseases. Awarded the 2014 AAPA/PAEA Preceptor of the Year Award.*

- Effective and professional communication with patients and their families, Physicians, residents, and other co-workers promptly
- Participate actively in the provision of the workflow to optimize the provided care team model and allow everyone to work in the highest and most professional manner

- Develops, participates in, and implements quality performance improvement initiatives
- Writes orders for medications, diagnostic tests, and lab works and interprets results
- Performs patient rounds, daily
- Performs physical exams and takes extensive patient histories
- Confers with other care team members, including attending Physician and nursing staff or other care providers, to ensure the quality of patient care is optimal
- Handle patient telephone calls to continued patient care
