Accomplishments

- Transformed 14+ hours of raw footage into 1-hour video as paid for by the client as a head video editor. Client 100% satisfied.
- Commended 15x by lead video producer for speed and intuition.
- Developed and implemented transcript-free editing method with bubble-sorted clip bins. Method was adopted by the entire team, freeing up 100+ production hours per week.
- Sourced new royalty-free music, video, and still image vendor, saving 30% on costs and doubling subjective quality of productions.
- Created a new system for storing b-roll that eliminated 4+ hours of time spent searching per week.
