## PROFILE

*Expert Fashion Designer with 11+ years' experience in women's high-end shoes. Launched product lines for Chanel and Gucci. Designs showcased in Elle and Vogue. Attained recognition of top seller fashionista in 2017.*

## EMPLOYMENT HISTORY

### Senior Fashion Designer , Escada, Milan

JANUARY 2017 – JULY 2021

*Functioned as the lead designer for the 2019 women's winter collection team and supervised seasonal conceptualization and design of women's accessories, which included belts and bags.*

- Designed attractive fashion items that coincided with the brand's look.
- Ran the whole product design process, from primary market research, mood board development to sketching and design to producing the finished product.
- Contributed to the conceptual development of directional product lines, which included delivering original concept pitches.
- Supervised technical designs of all products from concept design to manufacturing, including trim and fabric selection, meeting and choosing from vendors, etc.

### Associate Fashion Designer, Dior Homme, New York

JANUARY 2014 – DECEMBER 2018

*Produced commercial designs reflecting the abstract direction and business strategy of the company.*

- Created seasonal products which focused on style, fabric, and fit.
- Leveraged processes to predict customers' needs in order to surpass customer expectations and react punctually to their requirements.
- Developed and upheld effective relations with eight vital partners.
- Worked together and followed up with vendors regarding deliverables and main partners throughout the whole design process, including preproduction, merchandising, and product development.
